### Brennan's Ugly Sweater Run 2020

The Boys and Girls Club of Kamloops was the recipient of funds raised through the annual Brennan's Ugly Sweater Run (5K event). This year founder/organizer, Payton Comazzetto, held the event virtually to be COVID-19 friendly. This virtual event raised \$13,500.70 for our Power Start Program. This is a record donation for the event, which grows each year and this was an amazing turnout for a virtual event!

Thank you to Payton, her team, all the sponsors, volunteers, and participants of this year's event! Our Power Start program relies on donations and thanks to this event, we started this year on the right foot!

## Registration is open for Spring Break

Camp, March 15-19. Camp is open to children ages 5-12 (children aged 5 must be currently enrolled in school). New this Spring Break, we are happy to offer camp at two locations: our main John Tod location and at our Lower Sahali Neighbourhood Club (Beattie Elementary School).

To register go to: [bgckamloops.com](http://bgckamloops.com)

## Youth Necessity Nook Open

Thanks to recent funding, youth staff have created a "Necessity Nook" for local youth to access.

Youth aged 11 to 24 years-old can access the Necessity Nook once per week, in addition to the food and supply hampers that are given out each Friday. And it's not just food that is available, basic hygiene supplies are also available for youth.

The Necessity Nook is available weekdays (Monday-Friday) from 3 p.m. to 6 p.m., by appointment. To make an appointment, email Dez Luce, youth worker, at [leadup.bgckam@gmail.com](mailto:leadup.bgckam@gmail.com)
